Dear Friends:

Tower Investments and the Marks Family wish to thank the families and friends that have helped make Stonyford Ranch such a special place and a special time for underprivileged kids.

As of today, we hosted and sponsored over 1,000 visits to Stonyford Ranch. Kids came to ride horses, fish, swim, kayak, hike, mountain climb, to be in the outdoors and to learn and have fun. Many of the kids have never been in the outdoors or experienced any of our outdoor activities. Stonyford Ranch is home to many species of wildlife that fly, run, crawl and swim - as well as our breeding herd of horses, cattle and buffalo.

Kids visited us from:

- WIND Youth Center Homeless Shelter
- Fouts Spring Youth Detention Center
- Field of Dreams – Kids of Fallen Soldiers
- Yolo County Court Appointed Special Advocates (“CASA”)
- Crystal Creek Regional Boys Camp
- Vision Quest National Troubled Youth Program
- Grandparents Raising Grandchildren
- California Deer Association Youth Charity Events
- Foster Homes of Northern California

Thank you again.

Sincerely,

Tower Investments and The Marks Family

Steve Marks
